

CHILDREN'S DEPARTMENT

BOYS' CLOTHING
Stylish and Well Made

THE key note in our Children's Department is "appropriateness." Our boys' suits are made from boys' patterns, in fabrics adapted to boys.

We have the greatest variety of styles and materials shown in any store devoted to Boys' Clothing in the city.

The above illustration represents a double-breasted Knickerbocker Belt Suit and the very popular Boys' Reefers.

The Double-Breasted Knickerbocker Belt Suits for boys of 9 to 16 are shown in club checks, invisible plaids and blue serges, ranging in price from \$4 to \$8.

The Boys' Reefers, ages 4 to 14, come in gray, tan, navy and Oxford; warm and comfortable, without being cumbersome, they will please the boys as well as the parents. They are priced from \$4.00 to \$10.00.

At \$1.50 we are showing an especially strong value in Boys' Tan Corduroy Knickerbockers—just the thing for foot ball and other outdoor sports.

Special for the Ladies

We have in this department a line of Dent's Walking Gloves, made of heavy materials, coarse stitched and cut over the same patterns as the men's gloves.

FATHER DELAYED
BY THE TORRENTS

Will Not Be Able To Attend
Funeral Of His Child.

Charles Callahan Left Steamboat and
Started Home by Rail but Is
Blocked.

BOAT ARRIVES AT PADUCAH.

Trusting to the railroad to bring him home before his only child died, Charles Callahan, of Ellis street, between Eleventh and Twelfth streets, left the steamer Clyde at Riverton, Ala., Saturday morning thinking that the slow steamer would arrive many days after he got home.

Today his child will be buried and he has not reached the city.

Charles Callahan is steward on the steamer Clyde and when that boat reached Riverton, Ala., in the Tennessee river, Saturday morning, he was handed a telegram, sent by Mr. D. M. Street, of the Paducah Wharfbone company, stating that his child was seriously sick and for him to rush home, if he desired to see the child alive.

In the ordinary course of events, he would have reached this city Saturday night, but the unexpected washouts on the railroads all over the country intervened.

He started to Memphis, but washouts made him many hours late arriving in that city. He left Memphis over the N. C. & St. L. but his train was able to get out of that city only a short distance, when it had to turn back on account of washouts.

Finally he reached Paris, Tenn., last night only to find that washouts between that city and Paducah would prevent him continuing his trip without delay. He got into communication with his family over the long distance telephone and learned that his child had died. He told them that it could not be predicted when he would reach the city.

Meanwhile the steamer Clyde arrived in the city last night and if he had remained with his boat he would have gotten here sooner by twenty-four hours.

This afternoon at 2 o'clock the funeral of his three-year-old son took place with burial in Mt. Carmel cemetery. If the 1:30 o'clock train over the N. C. & St. L. had been on time he could have gotten to the city in time for the funeral. But it will be many hours late.

PIKE CAUGHT HIMSELF.

Ran Into Hospitable Arms of Patrolman Singery.

Harry Pike, who gave Patrolman Lige Cross a chase of several blocks some weeks ago and escaped, ran into the arms of the law yesterday afternoon. Patrolman Henry Singery was standing at Third and Washington streets. Pike came hurrying around the corner and ran into the policeman. Singery's arms closed about Pike and he was made a captive.

Owner Arrested as Firebug.

Mt. Sterling, Ky., Nov. 20.—W. M. Barrington, a wealthy citizen of Floyd county, has been placed under arrest charged with complicity in an alleged attempt to burn Barrington College at Prestonburg, which he owned. The building was insured for \$13,700. Barrington denies guilt. Barrington is said to have been arrested just as the match was being applied to the building, which had been saturated with coal oil. Frank Ellis, an alleged accomplice, who, it is said, claims Barrington, offered him \$800 to fire the building, was also arrested.

Boom for Franks.

Friends of E. T. Franks, internal revenue collector in the Second district, have started a boom for him for the Republican nomination for governor of Kentucky and claim that he will win in a walk.

Many men picture heaven as the place where the past can at least come back again.

INDICTMENT OUT
FOR PHIL ABBOTT

Government After Absconding Teller of Bank

Accused of Taking \$7,100 When He Left for Vacation and Never Returned.

INCIDENT ALMOST FORGOTTEN

Phil J. Abbott, formerly teller at the American-German National bank, was yesterday indicted by the federal grand jury for embezzling \$7,100 from the bank where he was employed last August. Abbott had been lost sight of in subsequent events and the finding of the indictment revives interest taken in the young man's downfall.

Abbott was employed as teller, and had been in the bank for several years. He left for Illinois in August saying he wished to visit relatives. Within two weeks his books were checked over and a shortage of \$7,100 found to exist. This, it is said, he carried away in cash. He has never been heard from since, although at one time Paducahans say they saw him in Chicago. The bank was indemnified by a bonding company and it was presumed the matter had been dropped until the federal grand jury took it up, the indictment resulting.

DOOMED, SAYS PROPHET.

Declares 29 Cities Will Perish When Earth's Axis is Straightened.

New York, Nov. 20.—Chicago is to be wiped off the face of the earth, says the prophet. So is New York. Likewise Washington and twenty-six other American cities. The reason is that the earth is going to straighten out its axis, which slants now, and the effort will be accompanied by such convulsions that the result will be disastrous.

The prophet is Edmund Scribner Stevens, of this city. Mr. Stevens is a prognosticator and an astrologer, he says. He also admits he is the royally appointed regent of King Cyrus the Great, for whom he says he will act until the long dead ruler revisits the world.

The list of proscribed cities includes Albany, Buffalo, Detroit, Lansing, Boston Philadelphia, Richmond, Lebanon, Pa., Pittsburg, Columbus, Indianapolis, Cincinnati, Louisville, Nashville, Muskegon, Milwaukee, St. Louis, Hanover, Mo.; St. Joseph, Mo., Omaha, St. Paul Minneapolis and Denver. London, Paris and Rome are equally doomed.

"The world is in the throes of an upheaval which eventually will right the earth and make the north pole north and the south pole south. Instead of having the earth's axis on a slant," says the aged prophet.

"That upheaval will cause flood, fire and earthquake and most of the large cities of the world are going to suffer; some of them are going to be destroyed."

Theatrical Notes

Ruth Grey.

All one can hear this morning on the streets, cafes, or, in fact, any place, is: "Have you seen Ruth Grey? Well, up to the time of seeing her we were in doubt whether she could deliver all the goods that was claimed she could, but after last night's show, we gladly admit that everything that has been claimed for this marvelous young woman in the way of being a mystic wonder is true." Last night she answered questions written to her by different members of her audience. These questions were held in the hands of the writers and Miss Grey could not in any way have seen any of the questions. She not only answered the question, but in each case told the name of the person asking the question. The last part of Miss Grey's work is the fact that she makes no claim at performing miracles. She makes no claim of receiving aid from the unseen world. But how she can read the thoughts of a vast audience as she did last night, is more than most people in this city can understand. Several really clever specialties are carried by Miss Grey and the rest of the show is good. This same attraction will appear at The Kentucky the rest of the week with matinees Wednesday, Thursday and Saturday.

Monument to Wade Hampton.

South Carolina will unveil a \$30,000 statue of Gen. Wade Hampton on the statehouse grounds at Columbia tomorrow, with appropriate ceremonies.

Cooper's New Discovery invigorates every organ of the body. Cooper's Quick Relief strengthens the muscles, relieves the soreness and loosens stiffened joints.

This Letter Will Interest You

The Cooper Medicine Co. Gentlemen: I consider Cooper's Quick Relief the greatest liniment in the world, I have used it ever since a trainer in Pittsburg, Pa., told me about it.

I was bathed and rubbed down with this remarkable preparation on both nights before my recent fights with Kid McCoy and Tommy Ryan.

It is the greatest rub-down I ever used. It supplies the muscles of the body, invigorating and strengthening them and takes every particle of soreness and lameness which comes from severe training.

Cooper's Quick Relief is one of the essentials of my training camp and I am glad to recommend it to any one afflicted with sore, stiffened, swollen or painful limbs, joints and muscles.

(Signed) JACK GRAHAM, Indianapolis, Ind.

Cooper's New Discovery, and Cooper's Quick Relief are the medicines with which L. T. Cooper accomplished such wonderful results for the sick and afflicted in St. Louis, New Orleans, Pittsburg and other cities.

The influence of these remarkable preparations over such complaints as rheumatism, sore kidneys, backache, lameness, etc., is remarkable.

Cooper's Quick Relief takes out the soreness and inflammation, stops pain instantly and opens the pores of the skin, aiding these and other organs to throw off their poisonous secretions. Large bottles for family use cost 50c. Cooper's New Discovery, the remedy for internal use, costs \$1.00 per bottle; six for \$5.00. Where we have no agent, send the price of the remedies you wish direct to The Cooper Medicine Co., Dayton, Ohio, and the medicine will be forwarded to you, charges prepaid. For sale by

DR. BELL'S
PINE-TAR-HONEY

will cure in one night—it will always prevent a cold if taken on coming in out of the wet. Delightfully pleasant to the taste. Good for children. Good for everybody.

Gentlemen: Last November I was taken with a severe cold and cough. I used a bottle of standard expectorant and was not benefited in the least; I then tried another standard cough cure, but with no better results than with the expectorant. I was then recommended by a druggist at Covington, La., to try Dr. Bell's Pine-Tar-Honey and after using one 25c bottle I was completely cured. This testimonial was unsolicited, but you are at liberty to use it in any way you may choose. In my opinion, you have by far the best cough medicine on the market. Yours truly,

Cures Coughs and Gives Strength to the Lungs.

Over 4,000,000 bottles were sold during the year 1904, on an absolute guarantee. Out of this vast number of sales money was refunded on only six bottles. This proportion—6 out of 4,000,000—is so exceedingly small that it hardly makes a ripple in the world's phalanx of satisfied customers. This is the unprecedented record of the most wonderful cough medicine on the market.
